Young women with dreams become women with vision

Our Mission: Advancing equity for women and girls through advocacy, education, philanthropy, and research. The American Association of University Women is the nation's leading voice promoting equity and education for women and girls.

The passing of our friend and contributor

Mark Scudder, with Karen Baker Langer (L) and Mark's wife Peggy (R), at the Christmas celebration of the AAUW Mentor Program. Peggy has requested that in lieu of flowers, friends should donate to the AAUW Scholarship Fund. Below is the mailing address for anyone who wants to donate to the AAUW scholarship fund at Legacy. We will add any donations to the \$10,000 the Scudders gave us in November and the full amount will be distributed this summer to those AVID girls selected by our scholarship selection committee this spring. Checks should be made out to "AAUW Fallbrook Scholarship." These donations will be tax deductible. Legacy Endowment Community Foundation, 5256 S. Mission Rd. Ste. 1210, Bonsall CA 92003

Expanded Calendar of Events for the Next Months

Most of the material in this month's newsletter involves upcoming activities, as opposed to reports of past activities. For this issue, the remainder of the news will be in the format of an expanded calendar. Keep this handy as we navigate the next several months.

**Please note that the AAUW website is not currently functional. Elizabeth asks for your patience as we problem-solve the situation. Thanks!

Join Us: Cal State University, San Marcos is an AAUW Affiliate University with an AAUW student group. CSUSM is a regional university, 26 years old, with 23,000 graduates. University President, Karen Haynes, has offered to host a (free) luncheon for our AAUW San Diego branches on Wednesday, February 15 at the university. Since many of our communities in San Diego send students to CSUSM, we would like to

learn more about the student group and how we can work with them to benefit our local female students attending and joining the AAUW group.

The speakers will be Dr. Karen Haynes, President of CSUSM; Donna Lilly, AAUW National Co-Chair for the College/University Committee; and Jessica Bautista, president of the CSUSM student chapter. We will be hearing about current joint programs and opportunities for future programs. Please join other San Diego County AAUW members for this interesting networking opportunity. A formal invitation will be sent out after the holidays.
