Message from President

Hello!

Please mark your calendar!! November 7th, 2pm is our meeting with Tech Trek Campers reporting. Please note time change from 10 am to 2pm.

Saturday, November 7, at 2:00pm. ZOOM Meeting, please look for your Zoom invite from Elizabeth.

Also, at its October 16, 2020, meeting, the AAUW National Board of Directors voted to increase National Individual Member dues for the next three years. The dues will rise by \$3 for Fiscal Year (FY) 2022, \$5 for FY 2023 and \$5 for FY 2024, making the total dues amount to National for those years \$62, \$67 and \$72, respectively. All but \$3 of your annual dues remains tax deductible. Dues to California and Fallbrook Chapter are TBD, but probably will remain unchanged.

Warmest regards,

Young Milton

2020 General Meeting Programs

You are missed! We are looking forward to the time we can truly get together but we have had to make some changes to programs due to AAUW National not sanctioning in person meetings at this time. Please put these meetings on your calendar and plan to join.

Saturday, November 7, 2:00 PM, ZOOM meeting

PLEASE NOTE TIME CHANGE!! for this meeting of 2:00 PM

Tech Trek Camper Presentations on Virtual Tech Trek Robotics Camp. Four of our Fallbrook AAUW campers attended and a former Fallbrook AAUW camper volunteered as a Social Coach. Please join us to hear from Isabella O., Lila T., Isabella H., Alice P. and Katie T. and check out their fabulous robotic hats.

UCSD STEMInists Making Change Pilot a Big Hit!

From August 3rd-7th, Mary Isaacs, UCSD Camp Director, successfully presented a 5-day virtual STEM robotics camp that she developed with Qualcomm affiliates. Forty selected Tech Trek campers from 18 SoCal branches attended the camp. The goal for the campers was to design, build and program a wearable hat. Many thanks to Mary and the many volunteers, instructors and parents who supported the pilot.

Katie T. a former Fallbrook 2016 Tech Trekker was a Social Coach. She handled the administration of her assigned breakout room (not the main Zoom room) -- taking attendance, monitoring chats, making sure girls were getting things done and understanding concepts. Also, Katie helped with other activities such as learning how to use Flip Grid, social media and other apps and technology.

Larissa Anderson, Fallbrook Tech Trek Chair will facilitate the zoom meeting. Please attend and join in thanking Larissa and her selection committee for interviewing and selecting these young women. Despite all the changes necessitated by COVID, we commend Larissa for all her time and effort getting our girls to camp this year. What an achievement to have four Fallbrook AAUW campers attend the new Pilot Virtual Tech Trek. Tech Trek news for 2021 is that all 2021 camps will be virtual.

Book Group

Good afternoon Quarantine Readers!

Hello fellow worshipers of the written word!

The cool evenings lately are pulling me even more strongly toward the warmth of books and audible books. Assuming you might feel the same, it just now occurred to me that those of you who have not been able to make our ZOOM meetings may still be wondering what you might be reading along with us. So here is our list as we've come up with it so far:

Next month, November 9, we'll be discussing 'Cloud Atlas' by David Mitchell. It's a big one...

December brings us 'Nickel Boys' by Colson Whitehead.

January we'll be talking about 'A Gentleman in Moscow' by Amor Towles.

For February, be ready to dissect 'The Golden Notebook', by Doris Lessing.

March will be 'Break It Up' by Richard Kreitner.

Oh Boy!

In Loving Memory of

Chris Young **Who died on 18 October 2020**

Former AAUW Fallbrook President Chris Young, will be remembered for so many things. The 2017 "Lifetime Achievement" recipient's strong commitment to AAUW programming and to the mentoring of young women was an inspiration to us all. With her love for flowers, she was a driving force of "The Garden Tour". Devoted to "The Red Stocking" fundraiser she made and mailed stockings, gathered and stored them each year, and diligently reminded members to donate to FUNDS.

We were all humbled by the energy and enthusiasm that she brought to our group, even after she began to suffer many difficult physical set-backs.

There are special people in our lives who never leave us.

She will be sorely missed.
